## THE BOARD OF MANAGEMENT

### for the Year 1947

---

**T**HE Board of Management has pleasure in presenting its Annual Report and Statement of Accounts for the year ended 31st December, 1947.

#### WORK OF THE YEAR.

A new Booking and Records Office for Out-Patients has been constructed during the year and will be in use at an early date and plans for additional consulting and dressing rooms are now awaiting sanction.

#### Pathological Department.

The work of this department has been greatly expanded and better facilities will soon be available when the new enlarged laboratory is completed. A collection, the only one in the North of England, of type cultures of pathogenic ringworm fungi is now maintained.

#### X-Ray Department.

An additional therapy unit has been installed in the X-Ray Department which, together with the two of similar type already in use, provides the department with the most modern therapy equipment.

#### Photographic Department.

The new studio is still under construction but catalogued collections of photographs for purposes of teaching and research already exist.

**A Psychiatric Clinic** has been established for the purpose of dealing with the psychological problems peculiar to patients with skin diseases. 88 patients have received advice.

The teaching function of the hospital has been greatly extended by the demand for training as specialists on the part of ex-service graduates.

## **BOARD OF MANAGEMENT.**

It is with the deepest sorrow that the Board records the death of Mr. Donald Beith, who had rendered valuable service to the Hospital for many years. Mr. Beith was appointed Vice-Chairman in the year 1924, and occupied this position until 1934, when he was elected Vice-President, which office he occupied until his death.

Mr. Noel Heywood retired from the Board during the year owing to his leaving the district and this opportunity is taken to record the Board's appreciation of the valuable services rendered by him.

## **MEDICAL STAFF.**

The Board records with deep regret the death of Dr. William Dyson, O.B.E., who for 39 years rendered most valuable service to the Hospital. Dr. Dyson was a member of the Honorary Staff for 34 years, having been first appointed in 1913.

The Board welcomes the appointment of Dr. Judith E. M. Savatard and Dr. G. Auckland as Honorary Assistant Physicians. Dr. J. Curry and Dr. J. G. Coburn succeed them as Assistant Medical Officers.

Dr. J. Curry has been appointed Research Student in Dermatological Mycology in the University of Manchester.

Dr. N. J. de Ville Mather has been appointed Psychiatrist.

Under the arrangement with Christie Hospital Dr. A. H. McCallum has now taken the place of Dr. A. Lutton as Radiotherapist.

The work of the Honorary and Salaried Staff has again been most arduous throughout the year and the Board expresses to them its grateful thanks.

## **NURSING STAFF.**

The Board is glad to record that the Hospital continues to be well staffed.

The devoted and efficient service rendered by the Matron and the Nursing Staff is recorded with appreciation and gratitude.

## **ADMINISTRATIVE AND GENERAL STAFFS.**

The appreciation and thanks of the Board are expressed again to the General Superintendent and members of the Administrative and General Staffs for their valuable service and loyal co-operation.

## **MANCHESTER AND SALFORD HOSPITAL SATURDAY AND CONVALESCENT HOMES FUND.**

The death of Mr. Charles Swinglehurst, Chairman of the Fund is recorded with deep regret. Mr. Swinglehurst had been a member of the Committee for fifty years and Chairman of the Fund for thirty-six years. He was always a good friend to the Voluntary Hospitals and a great worker on their behalf.

The Board wishes to acknowledge with grateful thanks the continued support given by this Fund. During the year £3,398 9s. 7d. was received in respect of treatment of its members and the Hospital's share of the 1946 surplus.

## MANCHESTER AND SALFORD MEDICAL CHARITIES FUND.

The valuable support of this Fund is greatly appreciated. An amount of £416 18s. 3d. was received during the year by way of Annual Subscriptions, in respect of services to Patients and the Hospital's share of the 1946 surplus. In addition £197 4s. 4d. was received from the Alexandra Rose Fund.

### FREE LEGACIES.

The receipt of the following Legacies is gratefully acknowledged.

Executors of Mr. R. G. Lawson .. .. .	£105	5	0
„ Mr. T. Fearn .. .. .	£18	0	0

### SPECIAL DONATION FOR ENDOWMENT.

A further instalment of £66 5s. 0d. from the Licensed Trade Collection in aid of the Local Hospitals is gratefully acknowledged. £554 5s. 6d. has now been received towards the Endowment of a Bed.

### FINANCE.

The Hospital's Accounts for the year under review reveal a very different aspect from previous years as for the first time in our history a serious deficit is shown.

**Income.** The decrease in Total Income is mainly due to a reduction in the contributions received from Patients and Hospital Funds.

**Expenditure.** The Total Expenditure for 1947 is £31,368 11s. 7d., as compared with £25,307 13s. 9d. in 1946, and is attributable to the rise in cost of all commodities and the heavy increases in Salaries and Wages.

### THANKS.

The Board of Management again tenders its grateful thanks to all who have assisted in any way to maintain the essential service of the Hospital during the past year and, in particular, would extend a special tribute of appreciation :

To Annual Subscribers for their continued generosity.

To Donors of Donations with the hope that they may continue their valuable support.

To all Hospital Funds not specifically mentioned in the Report.

To Messrs. Halliday, Pearson & Co., Chartered Accountants, for their generous services as Honorary Auditors.

To all those who organised and assisted in the Alexandra Rose Fund Collections on behalf of the Hospital.

To the Opera House and the New Manchester Hippodrome for complimentary tickets of admission for the Hospital Staff.

To all other helpers for gifts in kind and for services rendered.

The Board hopes that increased support, so urgently needed will be forthcoming despite the many claims made upon the public at the present time.
